## Proposed Design

(Please include a photo of the façade noting the location and detail of the proposed work – see example below)

Providing this visual along with the application is requested for the following reasons:

1. It provides the Design Review Committee with a visual on the work being performed and streamlines the application process.
2. It assists with recap to the City after the work is performed. The RDA is required to provide pictures of the performed work in order for payment to be distributed.

## Design Assistance

Applicants are eligible to receive up to \$2,000 to pay for or assist in paying for design assistance (these dollars do not need to be matched).

- For a list of local Design Firms to contact for services, click [here](#).

## Estimates

(Please include itemized estimate(s) with description of work being performed with completed application – see example below)
